Reigate and Redhill u3a have collaborated with Voluntary Action Reigate and Banstead (VARB), Age Concern Banstead and Reigate and Banstead Borough Council to organise a virtual event to celebrate the contribution of volunteers to the community and to raise awareness of what u3a can offer to local people.

The event will consist of input from the Mayor, VARB and Age Concern Banstead, stories from volunteers including some u3a members, examples of the musical and artistic activities that u3a members have worked on during the pandemic and general information about u3a.

The event will be streamed on YouTube
